

Jack Riley: The Original Man From Snowy River Tasting Notes

Cabernet Sauvignon 2003

Medium-bodied easy drinking Cabernet. Sweet blackcurrant fruit. Lightly oaked. Tannins and acidity well balanced.

Chardonnay 2004

Light citrus and nectarine fruit drives the bouquet and the palate. Gentle acidity.

Paul Bettio Sauvignon Blanc Chardonnay 2005

An unwooded style which works well, the blend unexpectedly synergistic. The wine has lifted aromatic qualities, good length and balance.

Ciavarella Shiraz Viognier 2002

Spicy, savoury aromas with some lifted fruit character, light to medium bodied, minimal tannins.

Ciavarella Cabernet Sauvignon 2001

Complex, ripe, spicy cassis fruit aromas and flavours. Nicely developed palate with powerful tannins that are a touch drying.

Ciavarella Durif 2003

Aromas of blackberry and cherry lead to intense ripe fruit flavours with pepper, cherry and vanilla. At once elegant and brooding. Great with a big porterhouse steak.

La Cantina Preservative free Sangiovese 2004

Brilliant full flavours from this light to medium bodied wine with high tannins and rich earthy colour.

Avalon Late Harvest Verdello

Sweet and luscious with fresh pineapple and peach flavours. Dessert.
